

3 months of *miracles*

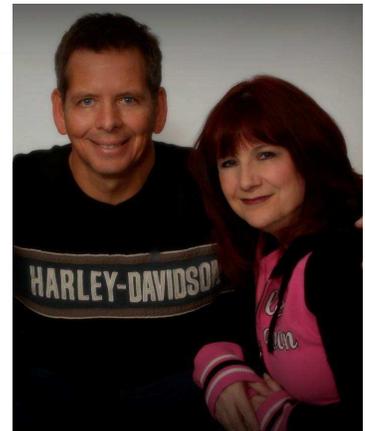

The quarterly report of Christian Victory Church

July 2013

The 2nd quarter of 2013 seemed to just fly and here we are in the full swing of summer !. The lawnmowers have been going like crazy in our neighbourhood due to all the rain we have had and the flowers beds are looking beautiful.

With this update we included an interim statement for the first half of the year, to help you track your giving to Jesus Christ through CVC. On behalf of the board of directors, the leadership team, myself and pastor Wendy, thank you for your partnership in sharing the good news.

Too often it seems all we hear is the negative - what is wrong in the body of Christ but there is far more good stuff taking place then we realize. The enemy wants us to believe that we are not making a difference and that other religions are winning but the truth is, Christianity is the fastest growing religion worldwide – but the media doesn't want us to know that. Together we are making a difference and we have much to celebrate!

Because of your faithfulness we are able to give over \$1500 monthly to various mission organizations. In addition many of you helped out at various organizations like the Good Neighbor Care Center, plus many of you are engaged in serving others at CVC and we are grateful for your dedication. The time and talent you volunteer allows us as a body to make a bigger impact on this city by showing Christ's love in many tangible ways.

As I write this letter we have just finished an amazing 4 days of meetings at our Explosion Conference with guest speaker Jon Colyer. The Holy Spirit was in powerful manifestation at every service as people were saved, filled, set free and transformed. We received many testimonies of people being healed, even during the night following the meetings. This conference was only possible because of your financial generosity and the sacrifices of so many who freely volunteer their time and talents to bless us. A special thanks to our ushers, greeters, child care workers and music team.

CVC Ministry updates

I continue to receive weekly reports from our children's ministry areas of how the children are learning to cooperate with the Holy Spirit, laying hands on those who are sick and seeing them instantly healed. Seldom a week goes by when I don't receive a report of a new child accepting Christ as their personal Savior or prayed for someone who was sick or in pain and experienced an immediate answer to their prayers. The same thing is happening in our youth ministry. Overseeing our youth ministry is Pastor Wendy who oversees 4 leaders – Jocelyn, Jeremy, Ryan & Lauryn – all of whom have different gifting's but are doing a fabulous job of helping Vertical encounter more of God's presence every Wednesday night at 7 pm.

Our adult ministries – seniors, woman's and men's ministries have been sending in reports on how prayers are being answered. Lives are being transformed, marriages and relationship strengthened and people who had no hope are now filled with faith and hope believing to see Gods purpose come to pass in their lives.

Taking Holy Spirit's Presence to Ontario

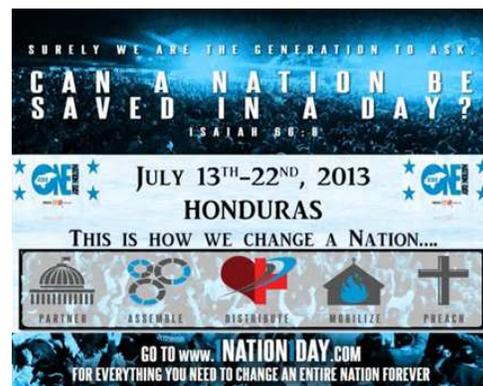

Last year I mentioned that the Holy Spirit had laid it upon my heart that the time is coming when we would take ministry teams out to host worship nights in towns and cities in the surrounding area. We want to release the presence of God with demonstrations of His spirit to ignite a fire as people experience the reality of God's love. To do this we need a trailer that can be insulated against heat and cold which can damage music and electronic equipment. We need to purchase a separate sound system and the music equipment to keep in the trailer so we don't need to use the equipment on our platform that is used for Sundays. We have had some equipment donated but it will take about \$25,000 to finish this off so we can begin to pursue this mission and do it with excellence. Continue to believe with us for the finances and equipment to accomplish this mandate from Jesus.

Missions around the World

Honduras–July 13th–22nd

The Bible says: “Can a Nation be saved in a day?”

Pastor Wendy and myself are going on your behalf to Honduras for a historic outreach for the largest mobilization of missionaries that has ever taken place at one time – over 2000 missionaries including people like Joyce Meyers, John Bevere, Brian and Jenn Johnson who will be part of this massive evangelism outreach. After a week of local meetings everything will culminate on July 19, 2013. The gospel will be preached in every school and in every stadium in every city throughout the country. OBFF (which is the ministry organization we are ordained under) has committed to be part of this event. Already we have helped pay for a container of food which will supply 238,000 meals plus we will be giving away over 25,000 shoes. You can find out more about this incredible outreach by going to this website: www.1nation1day.com

India August 21 – Sept 4 – Mumbai, Calcutta, Nagaland, Guhawati, Sholapur and Delhi .

Pastor Mark has been invited to join Pastor Faustin Fernandors of Catch the Fire church in Toronto for the purpose of training pastors to better equip them to reach their nation. They will be conducting schools of ministry and working to establish ongoing training centers. They will also stay a few days in the mountains at an orphanage where there are reports of the children having nightly heavenly encounters and sometimes waking up in the morning with beautiful gemstones in their hands.

Should you wish to be a financial partner to help with the costs of either of these mission trips you can designate a special offering to CVC missions.

Africa Report: Linda Currie, our missionary in Mozambique Africa, will be with us in August to give us an update on what CVC is doing over there in conjunction with Heidi Baker and Joyce Meyers ministry.

Confronting Pornography

September 7th – 8th Shelley Lubben, a former porn star, who was radically saved will be with us for a weekend conference, with her husband Garret. Our goal for this conference is to change the attitudes of condemnation the world perceives the church has towards people who struggle with this lifestyle or addiction, which prevents them from coming to us for real healing and restoration. We are going to advertise these meetings on secular radio stations to reach the general public because we want them to know that no matter how deep you fall into sin, God's grace is more powerful to lift you out and totally restore you.

Breaking the Enslavement of Debt

Later this fall we will be launching a Get out of Debt faith project, to not only pay off the church mortgage but to also see your own household debts paid off. Together we are going to go after the spirit of debt and break its power over the lives of our CVC family. Stay tuned for more information.

Our prayer is that this update encourages you that you are making a difference here in Peterborough and around the world. On behalf of Jesus, thank you for giving so generously– lives are being changed!
